

Spiral Hose Protectors

Hewitt

AVIATION FUELING PRODUCTS

Used to extend hose life, prevent kinking and reduce abrasion.

- Excellent for extending hose life, preventing kinking on deck and reel hoses, and reducing abrasion to hose cover.
- Installing coils at hose reel outlet riser will prevent hose collapse and maintain high fuel flow.
- Covers from 2 to 4 feet.
- Available to fit 1" to 4" ID aviation hose.
- Easily installed by factory or in the field.
- Standard white hose coils available from stock.
- Special colors and extra tough urethane hose protector coil available upon request.
