

1690WN Nozzles

Extreme High-Flow automatic nozzle for distilled spirits dispensing.

- Nozzle designed with extra large hand opening to accommodate gloves or mittens.
- Automatic shut-off with dual poppets for easy opening.
- Aluminum body, spout, and internal parts are nickel plated to prevent contamination and corrosion.
- Seals provide maximum durability and chemical resistance to high concentrations of ethanol.
- Cast-in protective standoffs provide durability with rough usage
- Right angle design allows nozzle to "fit" close to walls and corners.
