B20 WARRANTY & COMPATIBILITY STATEMENT

It has come to our attention of certain areas within the United States asking about the Warranty and the Compatibility of a manufacturer's product when coming in touch with Bio-Diesel Blends up to B20. To that level Husky Products - Nozzles, Swivels, Safe-T-Breaks® (STB) and Fuel Hoses - have been tested with and proven compatible with Diesel blends up to and including B20. As a result, Husky Corporation stands by its current Warranty Policy on these products in use with B20 and entails:
